

Wenatchee Renaissance Faire

Greetings Good Merchants!

Now for the second year in a row this is a TWO DAY event, both Saturday & Sunday. This is the first Washington Renaissance Faire of the 2012 season. Wenatchee Valley College Medieval Club will host the 5th Annual Wenatchee Renaissance Faire on Saturday and Sunday, April 21 & 22, 2012.

The venue is at Wenatchee Valley College campus, located at 1300 Fifth St, Wenatchee, WA 98801. This event is coordinated between the college, the medieval club, and local SCA volunteers. Set up for the Faire will begin on Friday afternoon, April 20th, with on-site camping and facilities for vendors who would like to camp at their booth. Vendors may also set up their booths on Saturday morning, as long as they are ready to open to the public by 10:00am. The faire will be held on Saturday between 10am to 5pm and Sunday 10am to 4pm. This is a two day event, and faire attendance has grown every year. The event had 1,447 people at it last year.

The faire will have workshops, food, merchant vending, fighting demonstrations, performers, games, pageantry, and the usual ambiance. With the size of this faire we are hoping to have 40 vendors this year. Applications will be reviewed to avoid excessive merchandising of similar goods. While each category is unique, similar merchandise will occur. We want to offer the greatest variety possible for attendees. We also want a very diverse arrangement of food vending options.

We understand many vendors have period booths and some have unique dimensions. We welcome vendor booths of various configurations with some that are period unique and others that fit the standard sizes. The Vending fee for this year's two day event is **\$40.00 for a 12x12 ft. booth and \$50 for 12x22 ft. booth**, for the weekend. This price is the same as it was last year. If your booth does not fit the standard dimensions, we are more than happy to accommodate, and if you have any questions we are glad to answer them view phone or email. For food vendors we realize that you may bring your own sized preparation facility which we will need to accommodate. The cut-off date for vendor applications is April 1, 2012, but last minute additions are welcome depending on vacancies..

All vendors must be in costume **ON THE DAY OF THE FAIRE, NO EXCEPTIONS**, and must make an attempt to stay in persona at all times. We understand for many this may be difficult, but this is a themed event. If you need assistance with costuming, please note that on your application and we will do our best to help you. If you have questions, please don't hesitate to contact me. If you are interested in vending at our Faire, please fill out the following application, clip & return with your check (**made out to WVC**) to:

Matthew J. Harrison
323 N. Kentucky Ave.
East Wenatchee, WA 98802

Please return as soon as possible. Early applications will be given location preference. Once we receive your application we will send you a confirmation email. We will later follow up with more information concerning our Faire, including set-up times and directions. We hope you will be able to join us in April.

Sincerely,
Matthew Harrison
